²Distributions taken prior to annuitization are generally considered to come from the gain in the contract first. If the contract is tax-qualified, generally all withdrawals are treated as distributions of gain. Withdrawals of gain are taxed as ordinary income and, if taken prior to age 59 1/2, may be subject to an additional 10% tax penalty.

³Listed rates include a 1.5% first-year bonus for less than \$100,000 and a 2.5% first-year bonus for \$100,000 or more. Bonus interest is an incentive to purchase and is subject to change at any time. Assumes the Return of Purchase Payment Guarantee is waived. Contracts selecting the Return of Purchase Payment Guarantee receive 50 basis points less than shown in the first year.
